

Conservatory Furniture

Bespoke Upholstery

All Weather Furniture

Our History

Ocean Designs began life in 2006, specialising in woven conservatory furniture. We worked with leading furniture designers to create interesting, modern and super comfy conservatory suites, many of which are so perfect, they're still available today!

After a while we decided it was time to extend our repertoire and move into the garden. We achieved this by using a synthetic rattan and a powder coated aluminium frame to fashion our luxurious All Weather Furniture, which is fade, frost,

rust and mildew resistant ensuring your furniture looks as good as new for many years to come.

All cushions and upholstery are handmade by our talented manufacturing team in our Nottingham factory. Our wonderful production staff all have an upholstery background and it seemed rather silly that we weren't using them to their full potential. So then came our Bespoke Upholstery Service. We have designed our own ranges of upholstery, which is ever-growing, but we can also take your ideas and turn them into reality, using our expert knowledge and your imagination, we can create a suite that will be bespoke to you and you alone.

Conservatory Furniture

Ocean Designs offer beautifully hand crafted woven furniture using only the highest grade natural materials, including rattan, banana leaf, kubu and water hyacinth, selected not only for their beauty, but also their intrinsic durability.

Look below the surface of a piece of Ocean furniture and you will find solid wood frames with screwed and glued construction for a truly hard-wearing product.

We feel that good looks alone is not enough, we design for comfort. Our designers have gone to great lengths to create real comfort, using correct dimensions and angles coupled with the best upholstery techniques and fillings.

We offer the widest selection of fabric options and all our cushions are made in house, to customer requirement, with all fabrics fully patterned matched.

The level of comfort is what sets our product above others and ensures you experience true relaxation, long-term.

Upholstery

Ocean Designs Upholstery is beautifully made in Britain by our own highly skilled fabric cutters, machinists & upholsterers. Using the highest quality foams, interiors and fabrics upholstered around solid beech frames with screwed, glued and dowel construction which come with a 10 year guarantee. Our sofas and chairs are truly long lasting.

Looking for a made to measure sofa or chair? As all our furniture is made to order, in house, we can offer a fully bespoke service.

Re-Upholstery

Is your existing piece of furniture mechanically sound but looking rather tired on the outside? Do not fret, Ocean Designs offer a fantastic Re-Upholstery and Replacement Cushion service to put life back into your favourite furniture.

All Weather Furniture

Ocean Designs All Weather Furniture will maintain its natural look year, after year, after year. Woven using the leading branded synthetic rattan with the latest extrusion technology, our outdoor furniture provides superior durability in all conditions. Here are the properties

- UV Protected & Fade Resistant for long lasting colour.
- Frost Resistant & stable in extreme temperatures, from – 30°C to +70°C.
- Mildew Resistant so no green algae.
- Weather proof & fade resistant outdoor fabrics
- Maintenance Free.

Our frames are made with a powder coated aluminium sub-structure, which is extremely strong yet lightweight, 100% weather resistant and rust proof – all year round.

Ocean Designs All Weather cushions offer the very best in outdoor, weatherproof fabrics, manufactured using weather resistant Sunbrella®, Texsilk and MarinaPLUS fabrics. With gorgeous designs, incredible durability and easy maintenance our weather proof cushioning is in a class all its own. It provides the ultimate fade resistance, stain resistance and easy cleaning – even mildew is no match for our fabrics.

Conservatory

Let yourself 'Drift' away to paradise on this sumptuous collection. Using a multi-tonal slate coloured rattan to create a contemporary design, the Drift collection is available as a corner group with modular pieces providing flexibility to suit your space together with a large 2 Seater Sofa option and a tempting Love Seat to snuggle up to someone special. Shown in a mix of fabrics, Umbria Natural, Bali Red & Chelsea Anthracite.

The Environment

We are keen to support the environment we live in and as such, all Ocean Designs products use materials from either renewable, recyclable or sustainable resources. In case you didn't know, the rattan vine is one of the truly renewable rainforest materials, when rattan is harvested it re-grows naturally. In short, rattan is truly self-regenerating. All timber we use is harvested from managed forests, using FSC certified and Indonesian Legal Wood. Our factories are independently audited (and personally visited by ourselves) to ensure continued high quality is maintained and good working practices adhered to.

Guarantees

All Ocean Designs furniture is backed up with strong guarantees against manufacturing fault.

Conservatory Furniture has minimum 2 year guarantee on both the woven frames and upholstery.

All Weather Furniture has a 3 year guarantee on the frame and a 12 month guarantee for the cushioning.

Lounge Upholstery has a 10 year frame guarantee.
